To Independent Electoral Commission

AfrEA Board Election

**Kigali, Rwanda**

Dear Electoral Board Members

**Re: Motivation letter to compete for the position of Treasurer in AfrEA Board**

My name is Tamiru Demeke Eshetu, Ethiopian. I have Ethiopian Evaluation Association (EEvA) since its establishment in 2009.

Apart from being member, I served the Association as interim board member from 2011-2013 at the position of Finance Head. From 2014-2016, I served as elected board member at the position of Treasurer. In addition to these, I served as member in different committees. I was also, Independent Electoral Board Member for the AfrEA election which was conducted in Yaunde, Cameroon. At that time, I led the election successfully and get recognition by AfrEA at Yaunde, Cameroon.

I was one of the board members, who struggle to reregister the Association and exist especially when the former Authority of Civil Society Organization Registration tried its best to dissolve the Association.

I want to compete for the position of Treasurer in AfrEA Board to play paramount role for the for the growth of AfrEA.

I am confident that my experience and knowledge will make me suitable for the position and I hope I will win the competition.

Best regards

**Tamiru Demeke**
