**Subject: - Support letter to Tewelde Gebremariam Adhanom for Board of Directors competition, for Regional Representative for Eastern Africa**

The Ethiopian Evaluation Association (EEVA) nominated Mr Tewelde Gebremariam Adhanom for the Board of Directors of African Evaluation Association (AfrEA), 2024 for the Regional Representative for Eastern Africa.

Tewelde is a member of EEVA since 2017, he served EEVA as Assembly Chairperson from 2020-2022 and since June 2023 he is board member, treasury, and communication director of EEVA. Since his membership, he is significantly contributing to the growth of EEVA both in its visibility and influence. He was a committee member and active contributor to the successful coordination of annual conferences of the association in 2022 and 2023. Recently, along the board members, he led in reinventing EEVA to be influential and visible through social media, professional networks, and facilitating to host and co-host national and international conferences. Since 2023, membership of EEVA has increased by more than 60%.

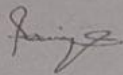

Tewelde has strong skills of coordination, networking with teamwork sprites. The board members attested this and highly recommended Tewelde to the Board of Directors. Tewelde's experiences working with many international and regions consultancy for more than 10 years along the cross-border and in East African countries in productive use of energy, climate change and displacement will benefit AfrEA in pursuing better networking, professional volunteer mobilization, fundraising and organizing learning events at AfrEA level in general and at the East Africa in particular. Tewelde is a director and founder of Agora Consulting, a close partner and supporter of EEVA's growth.
